PRESENTATION

MEP-CI

MEP-CI is a leading Ivorian company specializing in:

- **Building engineering,**
- **MEP works (Mechanical, electrical, plumbing),**
- **Fit-out projects,**
- **Renovation of professional, institutional, and residential spaces. (Hotel renovation specialist)**

We support our clients throughout the entire project lifecycle, from technical studies and design to coordination, execution, renovation, interior fit-out, and facility maintenance.
With a multidisciplinary team of engineers, qualified technicians, and experienced project managers, MEP-CI delivers high-performance technical solutions that comply with international standards while meeting the specific requirements of the Ivorian and wider West African markets.

MEP-CI IS OFFICIALLY REGISTERED IN IVORY COAST UNDER THE RCCM (COMMERCIAL REGISTER): CI-ABJ-03-2021-B13-06569
AND
TAXE N: 2183516 H
ALL OFFICIAL DOCUMENTS ARE AVAILABLE UPON REQUEST

COMMITMENT
QUALITY

MEP-CI works on both new-build projects and major renovation projects requiring:

- Advanced technical coordination,
- High-quality finishes,
- Strict schedule management.

Our approach is built around:

- Operational excellence,
- Cost control,
- Execution quality,
- Personalized support for each client, from the design phase through to final project delivery.
